BRIEF ABSTRACT OF LETTER.

Submits for perusal and return memo No. 1435 dated 8th March 1910 (and its enclosure) received direct from the First Asstt Resident and reports that the Residency Surgeon's notice (referred to therein) inviting tenders for the supply of dietary articles &c was published in the Gazette of 10-3-10.

NOTES AND ORDERS.

In the Residency memo there are the words "through the Dewan of Mysore". It is not known why the notice was sent direct to the Compiler. It is also not quite clear why the Compiler has

(6) It is a question for consideration in the Kedah Gazette Why the publication of notices or advertisements sent by the C & M St^s authorities should not be charged for In the linked file a claim preferred by the Compiler of the Gazette in respect of an advertisement by the Collector of the C & M St^s was questioned by the Residency and a reply has been sent by Govt supporting the claim into reasons therefor. The mere fact that certain

(7) After the question raised in the other file is settled (which can be known by finding out from the Compiler that the charges claimed by him have been paid by the Collector of the Cotton Dist.,) an order may be issued directing that all publications referred to above should hereafter be charged for by the Compiler at the usual rates. This may also be previously intimated to the Residency as they are aware to question it, if the innovation is brought about without notice

9	Letter No. 110 dated 26th April 1910 from the Compiler Mysore Gazette forwards a bill for Rs 22/4 in reply to the above (11) It is doubtful if the Residency will admit the charge, seeing that the bill is for such a heavy sum as Rs 22/4. The notice extends over 9 pages. The Compiler may be asked to state if, in cases of big notices like the one under consideration, there are not other special rates (cheaper than the line-rate) for calculating the charges for ~~public~~ publication. Apparently there are some, so far as the Mysore Gazette concerned. If there were, the Supdt would certainly have applied those rates. MG
